

BOLD

Armchair

Structure

Die casted aluminum on the angular elements and extruded aluminum for the supporting structure on the perimeter. Internal structure in wood with metal supporting frame.

Cushions

Back cushions in high grammage wadding with internal rubber insert. Seat cushions in polyurethane rubber of different densities.

Covers

Back covers are completely removable for both fabric and leather versions.

Base

The sofa, armchair and ottoman are based on the Bold family of castings. The Bold castings are made of Italian aluminum, die casted inhouse at Ghidini1961. Polished manually, and lacquered with a transparent finish to guarantee a long lasting durability.
