

FRAME

Armchair

Structure

Base in painted and strapped metal. Backrest in rubber in different densities with plywood panel.

Cushions

Back cushions in high grammage wadding with internal rubber insert. Seat cushions in polyurethane rubber of different densities. Side and back sides in natural cuoio leather.

Covers

All covers are completely removable for both fabric and leather versions.

Base

The sofa and armchair is based on the Frame family of castings. The frame castings are made of Italian aluminium, die casted in-house at Ghidini1961. Polished manually, and lacquered with transparent finish to guarantee a longlasting durability.
